Walk 2: Ancient Walton Cross, and Hartshead Church

Duration: 45 mins approx.

Start Point: Windy Bank Community Centre

Walk A: Facing the Community Centre turn left then left again along 8th Ave. to 2nd Ave. and turn right to Windy Bank Lane. Cross road to footpath sign and follow path past base of ancient cross. Turn left around farm, then right following path to stile. Path proceeds over next field, can be muddy in wet weather to another stile then turn left by hedge to narrow lane. Do not turn right but carry on towards houses and Ladywell Lane. Turn right then left through old houses to Church Lane. Here on your right is Hartshead Church. Retrace your steps to where you entered Ladywell Lane and where you turned right to the church now turn left to Windybank Lane. Cross road to footpath and cross two fields to Thorn Bush Farm. Turn left to 2nd Avenue. Turn right then left up 9th Ave. then second left to Community Centre.

Views up the Calder Valley

Walk B: Facing the Community Centre turn right then left up 9th Ave. crossing 5th Ave. the road bends left then turn right along Buttershaw Lane to narrow opening at the end onto Halifax Rd. Turn left and walk along pavement crossing end of Windy Bank Lane and on to Highmoor lane by Old Pack Horse public house. Turn left and after 20m. left again on footpath between houses. Follow footpath across 3 fields to Windy Bank Farm, noticing views on your right. At the farm turn left to Windy Bank lane and cross road towards school. Turn right and follow road in front of houses, parallel to Windy bank lane. At the end turn left then left again along 5th Ave. Then take 1st right and 2nd left to 8th Ave. then 1st right back to Community Centre.

Path type: refers to the letter and number in the top corner of each walk card. This describes the most difficult part of the walk in dry weather. The rest of the walk will be easier.
