Walk 6: Scar Wood

Duration: 50 mins approx.

Start point: Golcar Community Drop-in Centre and Café, Sycamore Avenue.

Walk along Sycamore Avenue towards Scar Lane, at the mini-roundabout turn left onto Scar Lane and head downhill passing the garden centre and petrol station. Just after the Chinese take-away look for the footpath sign pointing off the road to the right.

Follow the footpath as it passes through Scar Woods, take care as in wet conditions the path may be muddy. Choose the right hand route at the fork and continue uphill along the path which is rough and stony in places.

Pass a red barrier and turn right onto a track, follow this for a short distance to emerge on Scar Lane. Head uphill, after passing the Junction Pub take the second road on the right (Arthur Street).

Proceed along Arthur Street, turning first right and walking the length of Warwick Avenue. At the T-junction turn right, and then left following Longfield Avenue downhill until Sycamore Avenue is reached. Go left along Sycamore Avenue and return to the Drop-in via the outward route.

Path type: refers to the letter and number in the top corner of each walk card. This describes the most difficult part of the walk in dry weather. The rest of the walk will be easier.

Surface quality - C: Uneven: Less compact stones, occasional ruts and stones.

Gradient - 4: Steep: Up to 1:8
