

Kirkburton Pathways to Health

Shepley walk

Duration: 35 minutes approx (1 hour 10 minutes with additional section)

Length of route: 1.1 miles main route (2.4 miles with additional section)

Start Point: Shepley Library & Information Point, Marsh Lane

With the library behind you turn right on to Marsh Lane, then right on to Jenkyn Lane (no pavement on first section). At the end of Jenkyn Lane turn right on to Jos Lane (seat). Turn left on to Field Way (seat) then right on Long Lane (seat) (no pavement). Turn right on to Station Road, then right again on Marsh Lane to return to start point.

Alternate Longer Linear Section

Rather than turning right on to Station Road, turn left down Station Road and on to Stretch Gate. As this leads down to the busy main road, it is recommended to retrace your steps then return to the common start point.
