

Northern Walk Directions

Leaving the pub, walk east along Main Street, passing Brewery House on your left and continuing on, to pass Claver House on your right. At the junction with Thieffhole Lane turn left **9**. After about 350 metres turn left again **10** into Bestmire Lane. Continue north for about 1½ kilometres (-good views to the west of The Dales hills and to the east the North Yorkshire Moors). At the end of the lane is Brockholme Farm. Turn left here **11** into Corpse Road and climb gently, passing Thornton House Farm on your right (ahead is the London to Edinburgh railway and the spire of North Otterington church). About 250 metres past Thornton House cross a cattle grid and carry on along an unsurfaced track for a further 100 metres. At the farm gate turn left **12**, with the hedge at first on your left, and carry straight on for a further 2 kilometres down Endican Lane. Rejoin Main Street, **13** turning left to return to the start point.
