- Parks and Countryside

The trail is 7 miles long from start to finish.

#### Stage 4 - Stairfoot Lane to Golden Acre Park

**Section 10:** Cross Stairfoot Lane and join a bridleway opposite the car park, continue along the obvious path as it rises uphill avoiding any deviations to reach a waymarker post indicating bridleway directions. At this point the old gateway is long since missing (and the stile to the right inevitably unused). Go through the gap and enter the grassy field to follow the field edge on your right to reach a wide, tree/bush lined track (with Headingley Golf Course on your left) to reach King Lane at Golf Farm. Cross the road and turn left following King Lane. Do not walk the main road (it can be very busy), instead take the obvious path that uses the road verge.

**Section 11:** At a junction of 5 roads, carry on ahead (with the narrow woodland briefly on your right), again following the verge path up King Lane. At the next junction a gate ahead across the road leads into Golden Acre Park. Follow the path to reach the lake and go either left or right around the lake to reach an underpass which goes under the Otley Road. You will find yourself on raised wooded paths over Breary Marsh, and the end of the trail. The Golden Acre car park is immediately adjacent, and the main Otley Road has bus services to Leeds, Otley, Ilkley or Skipton (the latter Mon-Sat). To the north west of the main lake there are toilets & a cafe.
