

Guiseley to Yeadon

The busy towns of Guiseley and Yeadon lie within the North West commuter belt of Leeds close to the Aire Valley railway to Ilkley and the Dales. The 1.5km path follows a disused railway line from Parklands View in Yeadon to the old Coach Road leading into Guiseley, passing through wooded cuttings and under bridges including beneath the busy A65.

Safe routes to schools

This traffic-free greenway provides safe access to Yeadon Westfield Junior and Infant Schools and Saints Peter and Paul Catholic Primary School. It is hoped to link the routes to the nearby Benton Park and Guiseley schools in the future.

Attractions

This map shows the railway path and links to Guiseley and Yeadon town centres, nearby schools, Guiseley railway station and links to Esholt Village (the original setting of TVs Emmerdale). There are two children's farms close to the route (marked on the map). More information on these can be found at www.stleonardsfarm.com and www.emsleys-farmshop.co.uk.

The route also passes by Engine Fields, which is an urban nature reserve and home to a wide variety of plants, especially wildflowers with some fantastic wildlife living in the old mill ponds. Water voles and sometimes even kingfishers can be sighted. The Yeadon end of the path is close to Yeadon Tarn which is used for walking, boating and as a viewing area for the busy Leeds-Bradford Airport.

This route is supported by

Sustrans and the National Cycle Network

Sustrans is the UK's leading sustainable transport charity, working on practical projects so people choose to travel in ways that benefit their health and the environment. The charity is behind many groundbreaking projects including the National Cycle Network, over twelve thousand miles of traffic-free, quiet lanes and on-road walking and cycling routes around the UK. We are the charity making a difference today so everyone can live a better tomorrow.

Guiseley to Yeadon

Good Cycling Code

Obey the rules of the road

Be courteous

- Give way to pedestrians
- Remember that some people are hard of hearing or visually impaired
- Where there are wheelchair users or horse riders please give way
- Ring a bell or politely call out to warn of your approach

Care for the environment

- Can you reach the start of your journey by bike or public transport?
- Follow the Country Code; in particular, respect crops, livestock and wildlife and take litter home

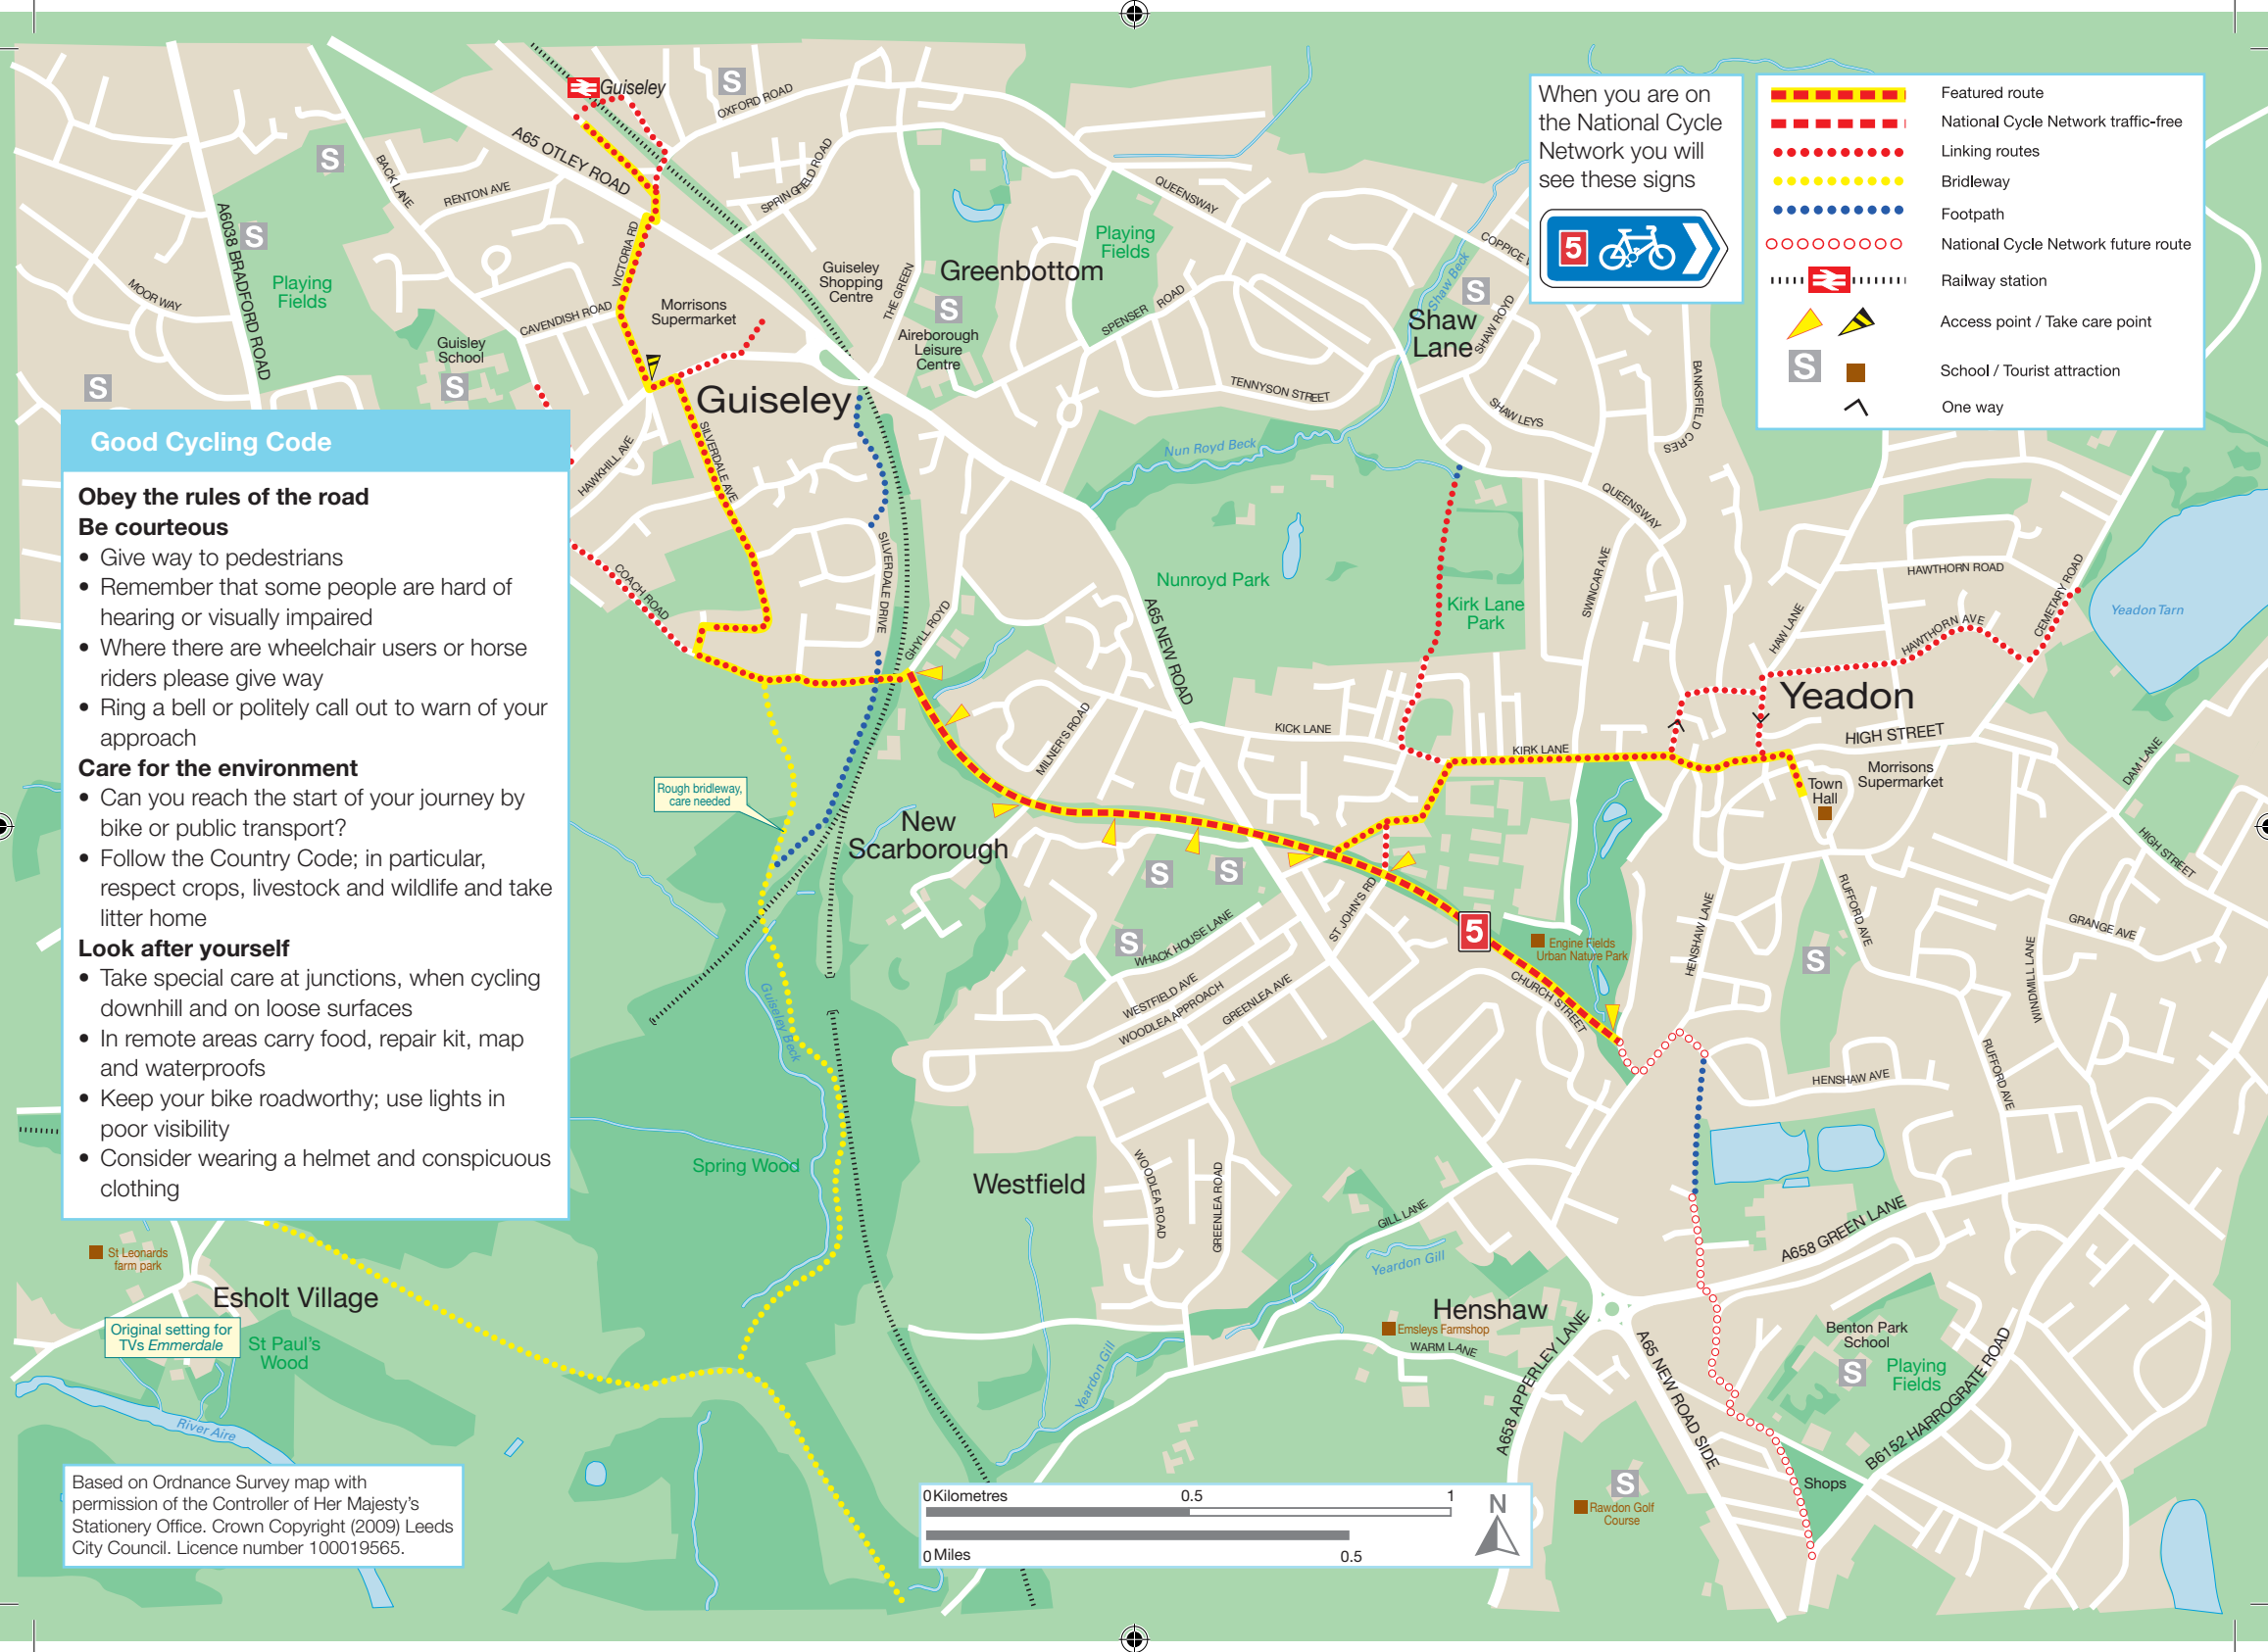

Look after yourself

- Take special care at junctions, when cycling downhill and on loose surfaces
- In remote areas carry food, repair kit, map and waterproofs
- Keep your bike roadworthy; use lights in poor visibility
- Consider wearing a helmet and conspicuous clothing
